Number each claim separately. Use as much space as you need. You are not limited to the papers we give you. Attach extra sheets that deal with your statement claim immediately behind this piece of paper.

The plaintiff's first claim is negligence and ordinary negligence for the plaintiff contacted the defendant's in July of 2020 complaining about a Assistant Attorney General who committed the crimes of perjury, official misconduct and obtrusion of justice, after writing other law enforcement agencies. The plaintiff did not hear from any agencies about the A.A.G. sending the plaintiff fake documents from nine different judges while trying to file an appeal in my civil case. Then on 03/2021 the plaintiff again wrote the defendants inquiring about his complaint and still there was no contact from the defendants, no return phone calls, nothing, for the plaintiff had learned that seven of the judges on the paper work were not even judges and that one of them had never served on the bench in the court of appeals and the last judge was listed as a circuit court judge yet she is the chief judge of the court of appeals. The plaintiff's second claim is contributory negligence and gross negligence, for on June 14, 2021, I wrote a letter to the judge and clerk of court for the appeals court inquiring about the documents I received bearing their name and next thing I know I receive a letter from the department of justice stating that they decided not to take any action on my case as well as my case has merit and then referring me to the state bar association or legal aid office. The only problem is that neither of them agencies has the jurisdiction to prosecute or charge a attorney general lawyer with any crime, yet alone punish them for their actions. Therefore sending the plaintiff on a wild goose chase, for the plaintiff did reach out to different lawyers who also stated that it's the D.O.J.'s job to go after attorney general's. All documents are included in this complaint.

committed by the attorney general lawyer and the right to file my appeal with the
court of appeals 2nd circuit.

I state under penalty of perjury that the foregoing is true and correct. Executed on
